

Cat.6 UTP Keystone Jack 90 Degree

Opternet Cat.6 90 Degree Jacks are designed and manufactured to meet the 10 Gigabit transmission requirements. The Jacks snap easily in and out of wall outlets, surface mount boxes and patch panels. These comply with TIA/EIA-568-C.2 specifications.

Features:

- RJ45 8P 8C 90°C 50u Punch Down Jack
- Terminating 4 pairs, 22-26 AWG Cable
- Universal labels color coded for T568A and T568B wiring schemes
- Fitting high density keystone panel
- UL, ETL, RoHS certified
- Two types of tools can be used for termination: 110 and Krone Type
- IDC contacts that allows re-termination without damaging the unit

Standard:

- Compact form factor with universal wire sequence labels clearly labeled on Keystone Jack for accurate and fast termination;
- Snap-lock termination caps ensure wires are fully terminated and prevent slippage Press-fit snaps on both ends for easy removal;
- 8-pole pin contact material 3/15/50 μ " gold plating, durable for 1500 insertions and removals;
- Polycarbonate binding post housing material, phosphor bronze IDC binding post clips;
- Suitable for 22, 24, and 26 AWG (0.64, 0.5, and 0.4mm) cables with a durability of 250 insertions and extractions;
- Spring Wire: Phosphor Bronze With Gold-plated 3u-50u
